Meeting Minutes

Date: 05/01/2023

Points discussed:

1. IQAC coordinator welcomes all the team members.
2. Review of minutes of last IQAC meeting. The minutes of the last meeting conducted on 19th July were readout with a formal discussion.
3. Review of action taken for all the initiatives was taken.
4. To give guidelines for Project and Research Based Learning enhancing the knowledge of and importance of Innovation, Research Awards, Research Projects, SSIP
5. To initiate Research Collaborations and MOUs.
6. To encourage participants for suggestion to improve IQAC work.

Action Taken:

1. The meeting commenced with a discussion on fostering research collaborations between our institution and external partners. The importance of such collaborations in advancing research goals and enhancing academic reputation was acknowledged.
2. Research Committee to be established to identify potential collaborators, including other academic institutions, industry partners, and research organizations. Each member will be responsible for researching and compiling a list of potential partners within their respective fields.
3. To facilitate networking and relationship-building, the committee will organize networking events, seminars, and workshops where researchers from different institutions can interact and explore potential collaboration opportunities. The team will develop a plan for these events, including potential dates, venues, and topics.
4. The committee will explore funding opportunities available for collaborative research projects. This includes grants from government agencies, industry sponsors, and international funding bodies. The task force will compile a list of relevant funding sources and develop guidelines for preparing collaborative research proposals. The meeting commenced with a discussion on Innovation Initiatives, organizing Innovation Workshops: The committee will organize workshops, hackathons, and innovation challenges to promote innovation and entrepreneurship among faculty members and students.
5. Memorandum of Understanding (MoU): It was proposed to establish Memoranda of Understanding (MoUs) with selected partners to formalize collaboration agreements. To draft MoU templates outlining the terms and conditions of collaboration, including intellectual property rights, data sharing policies, project timelines, industrial visits, placements.
