

## About LJ University (LJU)

LJ University was set up in 2019, by a group of academicians led by Prof. B M Peerzada, Former Dean, School of Commerce and Management, Gujarat University. Envisioned as an umbrella organization for its 30+ constituent institutes, the university offers courses in various disciplines like media, engineering, management, pharmacy, computer applications, architecture, physiotherapy, law, planning, commerce among others. While the university is of a recent origin, its constituent institutions have a sparkling history of over 40 years and it operates from a well-developed environment-friendly campus having excellent infrastructural facilities. Technology enabled classrooms, laboratories, workshops, seminar halls, auditoriums, open-air theatre, library, and computer centres connected with optical fibre and a network of over 2000 workstations, ensure the most updated learning pedagogy and mechanism.

## About LJIMC

LJ Institute of Media \& Communications (LJIMC) is Gujarat's premier media institute offering two-year Master's program, three-year Bachelor's program and a short term course in Radio.

The two-year Master's program in Media and Communications is the flagship course of LJIMC, considered as a stepping stone for media professionals before they enter the industry. The program has been designed to provide students a holistic experience of classroom learning and newsroom exposure with up-to-date syllabi, latest equipment and laboratories as well as industry exposure by the leading minds to mould them into highly-skilled, gen-next media professionals and communications experts.

LJIMC was founded 7 years ago with the objective of setting up global standards in media and communication. During the two-year course, the students undergo an enriching experience of theoretical knowledge as well as workshops, hand-on exercises, visits, and interactions with industry experts. Our esteemed visiting faculties include the top leaders in print, electronic, radio, and new media domains as well as film making and advertising sectors.
