This provisional mark sheet is valid until the final mark sheet is issued.

EVALUATION SCHEME

The performance of students is evaluated on the basis of continuous and semester-end examinations with letter grades O+++, O++, O+, O, A++, A+, A, B++, B+, B, C, D and F. which have numerical equivalents called grade points as indicated below:

Percentage Marks	Grade Point	Grade
95 to 100	10	O+++
90 to 94.99	9.5	O++
85 to 89.99	9	O+
80 to 84.99	8.5	O
75 to 79.99	8	A++
70 to 74.99	7.5	A+
65 to 69.99	7	A
60 to 64.99	6.5	B++
55 to 59.99	6	B+
50 to 54.99	5.5	B
45 to 49.99	5	C
40 to 44.99	4.5	D
0 to 39.99	0	F

The performance of a student in a semester is indicated by a number called SPI. The SPI is the weighted average of the grade points obtained in all the subjects taken by the student during the semester. Example: Suppose in a given semester a student has taken subjects having credits C₁, C₂, C₃, C₄, C₅..... and the numerical equivalent of grades obtained in those subjects are G₁, G₂, G₃, G₄, and G₅ respectively.

$$\text{Then his/her SPI} = \frac{\text{Grade Points Earned}}{\text{Credits Offered}} = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

SPI will be calculated (after re-examination, if any) up to two decimal places on the basis of the final grades. The CGPA is the weighted average of the grade points obtained in all the subjects across all semesters of the course excluding the first two semesters.

Formula for conversion of equivalent percentage of CGPA

An equation to find equivalence between CGPA may be obtained as follows:

$$\text{Percentage Marks} = (\text{CGPA} - 0.5) \times 10$$

SPI or CGPA equivalent class shall be as follows:

SPI/CGPA	Result
Below 4.50	Fail
4.50 to 5.49	Pass Class
5.50 to 5.99	Second Class
6.00 to 6.49	Higher Second Class
6.50 to 7.49	First Class
7.50 and above	First Class with Distinction

Abbreviations

SPI: Semester Performance Index

CCE: Continuous and Comprehensive Evaluation

CGPA: Cumulative Grade Point Average

SEE: Semester End Evaluation.
