Dear Dr. Bhanotar,

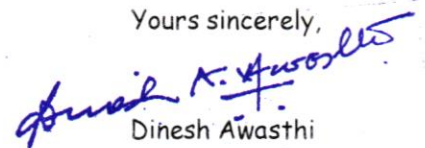

Please accept my heartiest congratulations on publication of your Research Article entitled "*Theory and Applications of Distinctive Conformable Triple Laplace and Sumuda Transforms Decomposition Methods*", written jointly with Fethi Bin Muhammad Belgacem, Dept. of Mathematics, Faculty of Basic Education, PAAET, Al-Ardiya, Kuwait and published in Partial Differential Equations. It is a very important area of academic discourse.

As stipulated in the Research and Innovation Policy of L J University, we are pleased to release an incentive amount of Rs. 2,500/- (Two Thousand Five Hundred only) to you, as a token of our appreciation for the same.

Considering your potential, we expect many more publications from you.

With best wishes,

Yours sincerely,
