LJ University  
Ahmedabad 382 210

Dear Dr. Shah,

Please accept my heartiest congratulations on publication of your research article, "*Factors Shaping the Adoption of Sustainable Vegan Diets*", in the prestigious International Journal of Consumer Studies (Scopus: Q1)! This is a significant achievement, especially considering the journal's high ranking.

The topic of sustainable vegan diets is an area of growing interest, and your research delves into a critical aspect of it. We commend you for producing such an impactful contribution.

In recognition of your accomplishment, we are delighted to present you with an incentive of Rs. 50,000/- (Rupees fifty thousand only). Attached please find the cheque, accordingly.

We truly hope you'll continue your valuable research and contribute to expanding knowledge in this important field.

Congratulations again!

With best wishes,

Yours sincerely,

Dinesh Awasthi

Dear Dr. Shah,

Please accept my heartiest congratulations on publishing a co-authored Research Article entitled "What are the Barriers to the Consumption of Millet-based Foods in India? An Innovation Theory (IRT) Perspective". in the highly valued Journal of International Food Agribusiness Marketing (Scopus Q1).

This achievement is particularly commendable given the journal's prestigious ranking. The topic itself sounds fascinating and deserves a wide audience.

I especially want to acknowledge the excellent teamwork that went into producing this collaborative work. Your dedication to research and willingness to share your findings are truly inspiring. I hope you'll continue to publish such valuable research papers.

As a small token of my appreciation, attached please find a cheque for Rs. 5,000/- (Rupees five thousand only).

We expect many more publications from you.

With best wishes,

Yours sincerely,

Dear Dr. Bhatt,

Please accept my heartiest congratulations on publishing your co-authored research article, "Comparison of Fatigue and Functional Status in Elderly Type 2 Diabetes Patients Versus Age and Gender Matched Individuals", in the reputed Journal of Aging Medicine (Scopus Q3). This is a significant contribution to the field of inquiry.

Your research on fatigue and functional limitations in elderly diabetic patients is highly relevant and sheds light on a critical area for improved treatment approaches. Readers will undoubtedly benefit from these new insights.

Attached please find a cheque for Rs. 12,500/- (Rupees Twelve thousand five hundred only) as a token of our appreciation for the same.

Congratulations again, and best wishes for your continued success in advancing scientific knowledge!

With best wishes,

Yours sincerely,

Dinesh Awasthi

Dear Dr. Sharma,

Please accept my heartiest congratulations on publication of your co-authored research paper entitled "Studies of Thermoluminescence Properties of Liquid Crystalline N-Phenyl Substituted Phenyl Polysiloxane Hydroxamic Acids", in the Journal of Luminescence (Scopus: Q2). This is a notable achievement!

Your research on the thermoluminescence properties of these complex materials is valuable and deserves a wide audience. It contributes significantly to the field.

We appreciate your dedication to advancing scientific knowledge through such insightful research. We hope you'll continue publishing such important findings.

As a token of our appreciation, attached please find a cheque for Rs. 6,250/- (Rupees Six thousand two hundred fifty only), for your efforts.

With your potential, we have no doubt you'll continue to produce impactful research papers in the future.

Congratulations again, and best wishes for your continued success!

Yours sincerely,

Dinesh Awasthi

Dear Dr. Sweety,

Please accept my heartiest congratulations on publishing a co-authored Research Article entitled "Investigation of e-Learning Adoption in Higher Education based on the Unified Theory of Acceptance and Use of Technology Model" in the Scopus-indexed E-Learning and Digital Media (SAGE) Journal.

The Research Paper published by you deserves due appreciation and also merits wide reading. Please keep writing and publishing such worthwhile research papers.

Enclosed please find a cheque of Rs.3,667/- (Three thousand six hundred sixty-seven only) as a token of our appreciation for the same.

Please keep on publishing such good papers to extend the frontiers of knowledge in the fields of inquiry that may interest many.

With best wishes,

Yours sincerely,

Dinesh Awasthi

Dear Dr. Shah,

Please accept my heartiest congratulations on publishing six Research Articles entitled: (i) "Current Trends in Chromatographic Prediction using Artificial Intelligence and Machine Learning", (May 2023); (ii) "Fabrication of a Dual-Triggered Natural Gum-Based Multi-Particulate Colon-Targeted Drug Delivery System of Budesonide Using the QbD Approach (August 2023); (iii) "Advances in AI-Driven Retention Prediction for Different Chromatographic Techniques: Unraveling the Complexity", (September 2023); (iv) "Development of Delayed Release Oral Formulation Comprising Esomeprazole Spray Dried Dispersion Utilizing Design of Experiment As An Optimization Strategy" (September 2023); (v) "Quality by Design Approach for Optimization of Microbial and pH-Triggered Colon-Targeted Tablet Formulation Using Carboxymethyl Tamarind Gum" (October 2023) and (vi) "A Novel Posaconazole Oral Formulation Using Spray Dried Solid Dispersion Technology: In-Vitro and In-Vivo Study" (October 2023), during the year 2023.

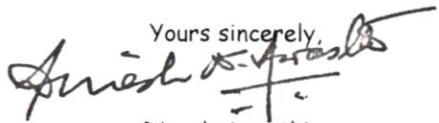

It is commendable that you have published all the articles in Scopus and Web of Science-indexed journals. It reflects the quality and excellence of your work. Enclosed please find a Merit Certificate and a cheque of Rs.11000/- (Rupees eleven thousand only) as a token of our appreciation.

Please keep writing and publishing such worthwhile papers.

With best wishes,

Ms. Riya Patel  
Assistant Professor  
Dept. of Pharmaceutical Technology  
School of Pharmacy  
LJ University  
Ahmedabad 382 210

Dear Ms. Patel,

Please accept my heartiest congratulations on the publication of your co-authored article "Review on Novel Oral Iron Formulations with Enhanced Bioavailability for the Treatment of Iron Deficiency", in the *Journal of Drug Delivery Science and Technology*.

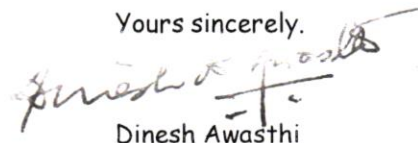

It is commendable that you have published your article in 'DDST', a Q1 category journal. It deserves due appreciation and merits wide reading. Iron deficiency is experienced widely, across the globe. Please keep writing and publishing such worthwhile research papers.

Enclosed please find a cheque of Rs.8,334/- (Eight thousand three hundred thirty-four only) as a token of our appreciation for the same.

Considering your potential, we expect many more Research Publications from you.

With best wishes,

Yours sincerely,

Dinesh Awasthi

Ahmedabad 382 210

Dear Ms. Shah,

Please accept my heartiest congratulations on the publication of your Research Article entitled "*Prevalence of Scapular Dyskinesia in Primipara and Multipara Lactating Mothers*", in the Indian Journal of Natural Sciences, a Web of Science (Zoology) listed Journal.

It is an important contribution to the growing literature on the subject. I am sure, many researchers will benefit from your article. As per the Research and Innovation Policy of L J University, we are happy to present you an incentive of Rs. Rs.5,500/- (Rupees five thousand fifty hundred only), as a token of our appreciation for the publication of your article.

Please keep writing and publishing such worthwhile research papers.

With best wishes,

Yours sincerely,

Dinesh Awasthi

Ms. Kamaldeep Sinroza Assistant  
Professor (Physics) School of  
Engineering & Technology L.J.  
University  
Ahmedabad

Dear Ms. Sinroza,

Please accept my heartiest congratulations on publishing 3 (three) research articles entitled "Role of Non-D Valence Electrons for the Study of Transport Properties of Some Transition Metals", published in The Journal Physica B: Condensed Matter; another article entitled "Study of Lattice Dynamics and Mechanical Properties of Pd and Pt Using Pseudopotential Formulism"; published in 'Physica Scripta'; and, the third paper entitled "Study of Lattice Dynamics and Lattice Mechanical Properties of Pd (Gold) and Pt (Silver), Using Pseudopotential Formulism", published in The Journal of Nano and Electronic Physics, within a year.

It is a remarkable accomplishment. Please accept my compliments. I will certainly encourage you to devote more time to research and publish good papers, as you have shown significant potential and interest in research. Enclosed please find a Merit Certificate and a cheque of Rs.5,000/- (Rupees five thousand only) as a token of our appreciation for the same.

Considering your potential, we expect many more innovative publications from you.

With best wishes,

Yours sincerely,

Dinesh Awasthi

Ms. Kaushika Patel  
Associate Professor  
Dept. of Pharmaceutical Technology  
School of Pharmacy  
L J University  
Ahmedabad

Dear Ms. Patel,

Please accept my heartiest congratulations on publishing 3 (Three) Research Articles entitled (i) "Solid Dispersion Technology as a Formulation Strategy for the Fabrication of Modified Release Dosage Forms: A Comprehensive Review. (April 2022) (Total 3 Co-authors).; (ii) "Biopolymer Nanovehicles for Oral Delivery of Natural Anticancer Agent" (Online Publication: December 2022 (Total 9 Co-authors); and (iii) "Bioinformatics Tools for Pharmaceutical Drug Product Development". (One Book Chapter entitled "Artificial Intelligence and Machine Learning in Health Sector" - ONLINE (February, 2023). (Total 4 Co-authors).

It is a very enviable and impressive accomplishment for an academican, by any standard. I would like to put on record my appreciation for this remarkable feat. You have set an exemplary benchmark for your colleagues to emulate. I hope some more faculty members take a leaf or two from your endeavours.

Enclosed please find a Merit Certificate and a cheque of Rs.5,000/- (Rupees five thousand only) as a token of our appreciation for publishing three papers within a year.

Please keep writing and publishing such worthwhile research work in reputed journals.

With best wishes,

Yours sincerely,

Dinesh Awasthi
