Workshop Report: Power BI

Title: Decoding Population Data with Power BI: Marketing Insights for the Next Decade

Date: 9th to 11th July 2025 **Time:** 8:00 AM to 11:00 AM

Venue: Lab 3, New L J Commerce College

Organized by: L J Institute of Event Management

Session conducted by: Ms. Sheetal Sheth

Introduction

In celebration of **World Population Day**, L J Institute of Event Management organized a three-day workshop titled "*Decoding Population Data with Power BI*". The workshop aimed to equip students with practical skills in data analysis, visualization, and marketing insights through hands-on use of **Power BI**.

Workshop Highlights

• **Day 1:** Introduction to the significance of demographic trends in marketing; understanding population datasets (age, literacy, migration, etc.) and key marketing KPIs.

- **Day 2:** Power BI training including data modeling, dashboard creation, and visual interpretation.
 - Day 3: Live case studies and the Capstone Challenge, where student teams built dashboards to generate marketing insights for the next decade.

The workshop also included sessions on data cleaning, market segmentation, and predictive insights into consumer trends.

Outcomes & Impact

Participants enhanced their skills in:

- Data Literacy and Power BI proficiency
- Generating marketing strategies using real-time data
- Developing **21st-century skills** like collaboration, critical thinking, and data storytelling

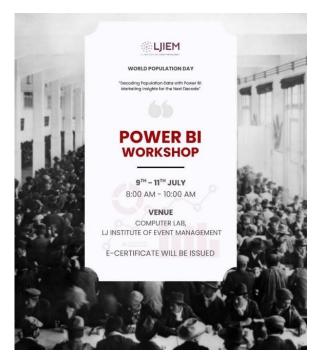

Conclusion

The workshop successfully bridged **data science and marketing**, offering students valuable hands-on experience and future-ready skills. The sessions were insightful, engaging, and appreciated by all participants.
